On behalf of the Christine's Hope for Kids Foundation we would like to thank you for the donation from the coaches of \$250.00, as part of the CVC Basketball Association. Every dollar counts when helping these children.

We are in the start of our sixth year here at Christine's Hope for Kids. From the very beginning we held to the belief that through compassion, determination and support from people like you, it is possible to make a difference in the lives of underprivileged children. Since the foundation began, together we have brought smiles to the faces of tens of thousands of children in our own communities. We know we are on the right course.

While it is certainly rewarding to look back on the past five years and the meaningful way Christine's Hope for Kids has touched the lives of so many children, it also reminds us of the kind of potential our foundation has, and that going forward, our impact can be even greater. But we can't do it without your help. We look forward to working with you in the future to give the kids in our community the chance to just be kids!

My sincere thanks,

Jean Gianacaci
