Dear Friends:

Thank you for your gift of \$1,000.00 to The V Foundation received 1/23/2013.

Your donation is so important to our work – funding innovative research aimed at ending cancer. This research helps countless men, women, and children who are facing cancer today by funding novel, effective treatments. And it allows us to uncover strategies to prevent and cure cancer, to stop the suffering that cancer inflicts. Your generous support makes this possible.

The V Foundation is an excellent steward of your money. Again in 2012, we received a top 4-star rating from Charity Navigator indicating that The V Foundation is in the top tier of charities. We award 100% of all cash donations and net proceeds of events directly to cancer research and related programs. The Foundation's administrative and fundraising expenses are paid by our endowment.

Our work is urgent and important. Much progress has been made through the research we have funded, and much remains to be accomplished. Our stellar scientific advisors ensure that we fund the best research conducted by the best physicians and scientists. We are strategic, and we are driven. Your support is invaluable to making the progress of our time, and we are deeply grateful to you!

Jim Valvano challenged us by saying "Don't Give Up ... Don't Ever Give Up."® That challenge is more alive now than ever before. With your help, we will find answers that save lives.

For more information on how you can help in the fight against cancer, please call us toll-free at 1-800-4-JimmyV, or visit our website at www.jimmyv.org.

As we celebrate the New Year, thank you again for your special gift and for your passion, friendship, commitment to our cause.

"DON'T GIVE UP . . . DON'T EVER GIVE UP!"®

Sincerely,

Susan Braun
